Take the Road to a New Career at H.O. Wolding

H.O. Wolding, a short, regional and long-haul trucking firm, is looking to add as many as **50 new drivers** over the next several months. We're interested in both experienced, CDL-licensed drivers (singles and teams) and new drivers. If you're a new driver and successfully complete our three-week training program and earn your commercial driver's license, you'll receive immediate consideration for a full-time driving position.

At H.O. Wolding, you'll enjoy a career that offers excellent pay and a solid work schedule with no layoffs - we've never had any in our 73 years in business. First-year salaries average \$38-\$41,000 with potential to earn \$70,000+ per year!

- Hands-on training in a fleet environment
- No more than 3 students per instructor
- State of Wisconsin-approved CDL
- Job opportunities available now - regional and over the road

H.O. Wolding offers competitive wages and a complete benefit package including holiday pay, 401(k), profit sharing, and health, dental, vision, life and disability insurance.

If you are interested in applying or learning more but are unable to attend our Open House, **please call (800) 950-0054 or apply online at www.howolding.com**
